Global Breast Cancer Conference 2018

# Welcome Message

---

Dear Colleagues,

On behalf of the Organizing Committee of the Global Breast Cancer Conference, it is our greatest pleasure to draw your attention to the Global Breast Cancer Conference 2018 (GBCC 2018), which will be held on April 05 (Thu.) – 07 (Sat.), 2018 in Songdo, Incheon, Korea.

The last conference, GBCC 2017, marks the GBCC's 10th anniversary, leading us into a new era of future and growth; from this year on, the GBCC will take place in Incheon, the gateway to Korea, giving participants easier access to the venue for the GBCC and attracting many breast cancer professionals from across the globe.

As one of the biggest breast cancer conferences in Asia, the GBCC has brought together people from all walks of life including medical professionals, researchers, policymakers, patients, and guardians to come up with multi-scientific strategies to effectively diagnose and treat breast cancer, and to promote women's health. Now, the GBCC has been preparing for the next 10 years to serve as a world-renowned hub for networking and research in breast cancer.

Hopefully, you all join us for GBCC 2018 and share memorable and meaningful moments in the most beautiful season of Korea.

Thank you and see you in Incheon!

# About GBCC

The Global Breast Cancer Conference is a meeting of breast cancer held in Korea, started as a biennial meeting in 2007. Hosted by Korean Breast Cancer Society and supported by the Korean Breast Cancer Foundation, now it becomes one of the biggest breast cancer conferences in Asia.

Since its successful inception in 2007, the GBCC has been one of the best learning opportunities and networking hub for those involved in breast cancer to pick up the latest knowledge from basic research to state-of-the-art therapy and to build a stronger relationship with professionals from all around the world.
