Welcome Message

Dear Colleagues,

On behalf of the Organizing Committee of the Global Breast Cancer Conference, it is our greatest pleasure to draw your attention to the Global Breast Cancer Conference 2019 (GBCC 2019), which will be held from 25 (Thu) to 27 (Sat) April 2019 in Songdo, Incheon, Korea.

As one of the biggest breast cancer conferences in Asia, the GBCC takes place every year to gather people from all walks of life including medical professionals, researchers, policymakers, patients, and guardians to come up with multi-scientific strategies to effectively diagnose and treat breast cancer, and ultimately to promote women's health.

Indeed, the Organizing Committee is now trying its hardest to put together an excellent scientific program to ensure that you are up-to-date with the latest trends and developments in breast cancer. GBCC 2019 will also include a diverse array of social events to provide opportunities for networking and interaction among breast cancer professionals from all over the world.

Hopefully, you all can join us for GBCC 2019 and share meaningful moments in the most beautiful season of Korea.

Thank you and we look forward to seeing you in Incheon.

About GBCC

The Global Breast Cancer Conference is a meeting of breast cancer held in Korea, started as a biennial meeting in 2007. Hosted by Korean Breast Cancer Society and supported by the Korean Breast Cancer Foundation, now it becomes one of the biggest breast cancer conferences in Asia.

Since its successful inception in 2007, the GBCC has been one of the best learning opportunities and networking hub for those involved in breast cancer to pick up the latest knowledge from basic research to state-of-the-art therapy and to build a stronger relationship with professionals from all around the world.
