Welcome Message

Dear Colleagues,

On behalf of the Organizing Committee of the Global Breast Cancer Conference 2022 (GBCC 2022), it is our greatest pleasure to draw your attention to GBCC 2022, which will be held from April 28 (Thu) to 30 (Sat), 2022 in Grand Walkerhill Seoul, Korea.

As one of the biggest breast cancer conferences in Asia, GBCC takes place every year to gather people from all walks of life to come up with multi-scientific strategies to effectively diagnose and treat breast cancer, and ultimately to promote women's health. We will make every effort to render GBCC 2022 remarkably informative and fruitful so that it can be a rewarding experience for all.

GBCC 2022 will be held as a Hybrid Conference (In-person & Virtual) considering all participants' health and safety as top priority. The Organizing Committee will continuously monitor the COVID-19 situation to ensure the safety of all participants and provide appropriate guidance accordingly.

We thank you for the keen interest in the upcoming GBCC, and we sincerely hope to meet every participants face-to-face in 2022. Hopefully, GBCC 2022 will become a platform where all can come together to discuss latest breakthroughs and share in-depth insights on breast cancer.

Thank you and see you at GBCC 2022!
